

## Sun County Panthers/Windsor Jr Spitfires Amalgamation

For Release October 22<sup>nd</sup> 2024

The landscape of hockey is constantly changing and evolving. Programming opportunities need to stay current to provide the best options available to players of all levels to ensure the best experience possible for players in the area.

In evaluating registration trends, tryout numbers, opportunities outside of AAA programming, ice capacity, rezoning of boundaries and a demographic shift, this brings us an opportunity for change that will best suit the needs of local players moving forward.

At this time, we are excited to announce that the Sun County Panthers AAA Minor Hockey Organization and the Windsor Jr. Spitfires AAA Organization are exploring a merger between the two AAA centres.

Both organizations feel that is the right move for hockey in this area. With that said, we understand that this is a large shift in the AAA Zone for players and their families. We acknowledge that there will be many questions and concerns, and we are here to help our hockey families navigate this potential merge.
